Accuracy and Reliability for over 30 years.

Years of forming set engineering expertise and innovation means KENRAY can provide all the accessories for your packaging machine needs. We provide a one-stop-shop for all of your forming set requirements, offering KENRAY customers access to world-class formers as well as accessories from one single source.

Even with the highest quality of forming sets, belts, knives and jaws will eventually wear down. When these packaging machine accessories start to show signs of wear, it can delay or stop your production – so, we offer a wide range of forming set spare parts for quick delivery to keep your packaging production on track.

We offer quick delivery options to help reduce your production downtime. International shipping is also available, so production and packaging plants around the world can rely on us to help maintain the efficiency of their formers.
